The resolution respecting the Tariff, submitted by Mr. Clay, was taken up, and Mr. Dallas resumed and concluded his speech in its support. In the House of Representatives, Mr. Wickliffe, from the Committee on Public Lands, reported a bill for the final adjustment of the claims for land in the south eastern land district in the state of Louisiana. Mr. Doddrige, from the committee on the District of Columbia, made a report on much of the President's message, as related to the expediency of granting to the citizens of this District, a Delegate in Congress, or a territorial government, concluding with a resolution, adverse to the views of the President. Mr. Root laid on the table sundry amendments to the bill for re-chartering the Bank of the United States, which were ordered to be printed. The House resumed the consideration of the resolution, proposed by Mr. Clayton, for the appointment of a select committee to examine into the affairs of the Bank of the United States. Messrs. Patton, Polk, and Cambreleng, addressed the House in favor of the resolution, and Messrs. Jenifer, Branch, and Huntington, in opposition to it.
