

A public dinner has been given to the Hon. W. H. CRAWFORD, now on a visit to Georgia, by the citizens of Athens, in that state, as a "demonstration of gratitude for his arduous public services." The Hon. NICHOLAS WARE, assisted by Judge CLAYTON, presided.—Another dinner was given to the same gentleman at Greensborough, in Greene county, on the 20th ult. at which Major STROOKS acted as President, and Capt. BETHUNE as Vice President. At both these dinners, Col. CUMMINS, (who is in some degree identified with Mr. Crawford,) was toasted—at the latter, in the following words:—By T. W. Cobb, Esq.

"Col. CUMMINS, dead or alive. If dead, we will revere his memory: if alive, we will love him as the Republican, the Patriot, and the Warrior."
