

*Report of the Bank Committee.*—The Standard says "We are authorised and requested by Honorable C. C. Cambreleng to say that he is not the author of the Report made by the majority of the Committee appointed by the House of Representatives to investigate the affairs of the United States Bank, but that Judge Clayton is the author. Every person not disposed to be malicious and who is acquainted with Judge Clayton must know that he, as chairman, would make the Report, and that both in nerve and talent he is every way competent to that task. It has suited the malevolence of the Courier and Enquirer, however, to ascribe the authorship to Mr. Cambreleng."
