

CONGRESSIONAL CANDIDATES—

State Rights nominations.—The meeting for the purpose of nominating Candidates of the State Rights party, for the next Congressional election having convened, in pursuance of previous public notice, last Thursday evening, there was found a very full delegation in attendance. One hundred and forty delegates, being some of them members of the Legislature and others, gentlemen specially delegated from various parts of the State were present. After the meeting was organized, they proceeded to ballot for nine candidates, to be supported by the State Rights Party at the next election. On counting the ballots, the following named gentlemen were ascertained to be duly nominated, to wit: Messrs. *Richard H. Wilder, Roger L. Gamble, George R. Gilmer, Scaborn Jones, William C. Daniell, Thomas F. Foster, Daniel Newman, Absalom H. Chappell, and Mirabeau B. Lamar*, each having received two thirds of the votes given.

Judge Clayton declined a nomination—after which the following resolutions were introduced and adopted—on motion of Mr. Alford,

Resolved, That from the known patriotism and republican principles of the gentlemen nominated, it is taken for granted that they all approve, without reservation, of the proceedings of the meeting of the State Rights party of Georgia, held in the State House on

the 13th ult. and the principles adopted thereat.

Resolved, That a Committee be appointed to furnish each gentleman, nominated, with a copy of the proceedings of this meeting; and request him to make known to them his acceptance or non acceptance of the nomination, and permit his reply to be published, for the information of the people.

The Chairman appointed Dr. George A. Brown, John Williams, and Samuel Rockwell, Esqs. the Committee.

On motion of Mr. Cooper, Unanimously resolved, That we recommend to the people of the United States, Col. George M. Troup, as a suitable candidate for the next Presidency. His zealous advocacy of, and firm attachment to, the principles of State Rights, designate him as the individual best calculated to promote the republican doctrines we advocate.

On motion of Mr. Young, Resolved, That the proceedings of this meeting be published in the State rights papers in this State.

The meeting then adjourned.
