

The Superior Court continues in session—the Common and Claim Dockets have been called for the first time, and several appeal causes tried. Judge CLAYTON presided during a portion of the past week, in those cases where Judge HOLT had been employed as Counsel while at the Bar.

We understand that Judge CLAYTON will soon leave the city and that Judge CONN is expected.

The Criminal Docket will be taken up at 9 o'clock A. M. on Thursday (tomorrow) morning next, when all *Defendants Prosecutors* and *Witnesses* will be punctual in their attendance.—*Constitutionalist*.
