

COMMUNICATED.

Mr. Pemberton:—

It is generally understood throughout the State, that Mr. Forsyth will have opposition, at the approaching session of the Legislature, for Judge Berrien's vacancy in the Senate of the United States. Opposition seems to be called for; and allow me therefore to suggest the names of Col. Tattnall, Eli S. Shorter, Esq. Judge Clayton, or Seaborn Jones, Esq. as men of great talents and worth. Either of those gentlemen possess talents that, could not be disparaged by a comparison with Mr. Forsyth's; and either would ably represent the State in the Senate of the United States.

TALBOT.
